Profile

Front End Developer with proven experience at Cnc Web World and Auxesis Infotech in helping companies create and maintain better code base for reusability. Capable of continuous learning from senior developers while still nurturing junior developers. Passionate about learning and development with a desire to apply skills on a larger development team at Redfin. Eager to tackle more complex problems and continue to find ways to maximize user efficiency.

Professional Experience

Front End Developer, Auxesis Infotech Pvt Ltd

11/2021 – 04/2022 | Remote

- Having work experience in building and maintaining extraordinary responsive websites in collaborative environments.
- Implemented websites, mobile applications, and landing pages from concept through deployment.
- Designed and developed GUI for applications and modules, using Javascript.
- Created non-technical descriptions of operations and workflow to enable non-coding team to function with minimal interruption.

Junior Frontend Developer, CNC Web World

06/2020 – 11/2021 | Pune

- Developed interactive website that ensured high traffic, page views, and good user experience.
- Translated design team's UI wireframes and mock-ups into responsive, interactive features, using HTML, CSS and Javascript.
